

APRIL 21ST- 22ND SPRING LITTER PLUCK

LET'S GO MONTICELLO

Earth Day is Sunday April 22nd and what better way to honor Mother Nature than to help clean-up the Village that we love! The event will be held on both Saturday & Sunday from 9:00 AM through 2:00 PM kicking off at the Ted Stroebele Community Center @ 10 Jefferson Street. Gloves, bags, "pluckers", & refreshments will be provided. Whether you rent, own or do business in the Village, this is our community & we ALL need to pitch in to make it the very best it can be!
